NOTICE TO CONTRACTORS

Prince Rupert Electoral District

Project S-6776—City of Prince Rupert, Highway 16, Fairview Bay to Eighth Street, Reconstruction: Storm Sewer, Curb and Gutter, and Paving (1.20 Miles)

SEALED TENDERS, marked "Tender for Project S-6776—Highway 16, Fairview Bay to Eighth Street," will be received by the Ministry of Highways and Public Works at the Parliament Buildings, Victoria, B.C., up to 2 p.m. on Wednesday the 15th day of December 1976, and opened in public at that time and date. Tenders must be delivered only to Room 237, Douglas Building, Victoria, which is open from 8 a.m. to 4 p.m., Monday to Friday, except holidays.

Plans, specifications, and conditions of tender may be obtained from the Ministry of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3 (telephone 294-4711), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

A limited number of full-size drawings (stock not replenishable) are also available at an additional fee of \$10 payable to the Minister of Finance and not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Ministry's "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Ministry of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in accordance with clause (a) or clause (b) below:

(a) Where the total tender price exceeds \$100,000, a surety bid bond in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. The surety bid bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so.

(b) Where the total tender price is less than \$100,000, a surety bid bond or a certified cheque in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways and Public Works shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways and Public Works, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any ministerial project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

1.0 THE GRANTOR DOTH HEREBY:

1. Grant, convey, confirm, and transfer, in perpetuity, unto the Grantee the full, free, and uninterrupted right, licence, liberty, privilege, permission, and right-of-way to lay down, install, construct, entrench, operate, maintain, inspect, alter, remove, replace, bury, cleanse, and otherwise establish a system of works upon, under, and across that part of the land of the Grantor as shown outlined in red on right-of-way plan prepared by Merlyn Browne, B.C.L.S., dated the 10th day of August 1976, a copy of which is annexed hereto (hereinafter called the "Perpetual Right-of-way").

1.3 Grant, convey, confirm, and transfer unto the Grantee for itself, and its servants, agents, workmen, contractors, and all other licensees of the Grantee, together with machinery, vehicles, equipment, and materials, the right at all reasonable times to enter upon and to pass and repass over such of the lands of the Grantor as may reasonably be required for the purpose of ingress to and egress from the Perpetual Right-of-way.

2. THE GRANTOR HEREBY COVENANTS TO AND AGREES WITH THE GRANTEE, as follows:

2.1 That the Grantor will not, nor permit any other person to erect, place, install, or maintain any buildings, structure, mobile home, concrete driveway or patio, pipe, wire, or other conduit on, over, or under any portion of the Perpetual Right-of-way so that it in any way interferes with or damages or prevents access to, or is likely to cause harm to Works authorized hereby to be installed in or upon the Perpetual Right-of-way.

2.2 That the Grantor will not do nor knowingly permit to be done any act or thing which will interfere with or injure the said Works and in particular will not carry out any blasting on or adjacent to the Perpetual Right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld.

2.3 That the Grantor will not substantially diminish the soil cover over any of the Works installed in the Perpetual Right-of-way and in particular, without in any way limiting the generality of the foregoing, will not construct open drains or ditches along or across any of the Works installed in the Perpetual Right-of-way.

2.4 That the Grantor will from time to time and at all times upon every reasonable request and at the cost of the Grantee do and execute or cause to be made, done, or executed all such further and other lawful acts, deeds, things, devices, conveyances, and assurances in law whatsoever for the better assuring unto the Grantee of the rights hereby granted.

3.1 That the Grantee will not bury any debris or rubbish of any kind in excavations or backfill, and will remove shoring and like temporary structures as backfilling proceeds.

3.2 That the Grantee will thoroughly clean all lands to which it has had access hereunder or of all rubbish and construction debris created or placed thereon by the Grantee and will leave such lands in a neat and clean condition.

3.3 That Grantee will, as soon as weather and soil conditions permit, and so often as it may exercise its right of entry hereunder to any of the lands of the Grantor, replace the surface soil as nearly as may be reasonably possible to the same condition as it was prior to such entry, in order

to restore the natural drainage to such lands; provided, however, that nothing herein contained shall require the Grantee to restore any trees or other surface growth, but the Grantee shall leave such lands in a condition which will not inhibit natural regeneration of such growth.

3.4 That the Grantee will, as far as reasonably possible, carry out all work in a proper and workmanlike manner so as to do as little injury to the lands of the Grantor as possible.

3.5 That the Grantee will make good at its own expense all damage or disturbance which may be caused to the surface soil of the lands of the Grantor in the exercise of its rights hereunder.

3.6 The Grantee will, as far as reasonably possible, restore any fences, lawns, flower beds, at its cost as nearly as may be reasonably possible to the same condition that they were in prior to any entry by the Grantee upon the lands.

4.0 THE PARTIES HERETO EACH HEREBY COVENANT TO AND AGREE WITH THE OTHER, as follows:

4.1 The said Works referred to above, together with all pipes, valves, conduits, wires, casings, fittings, lines, meters, appliances, facilities, attachments, or devices used in connection therewith shall constitute the Works:

4.2 Notwithstanding any rule of law or equity to the contrary, the Works brought on to, set, construed, laid, erected in, upon, or under the Perpetual Right-of-way by the Grantee shall at all times remain the property of the Grantee, notwithstanding that the same may be annexed or affixed to the freehold and shall at any time and from time to time be removable in whole or in part by the Grantee.

4.3 In the event that the Grantee abandons the Works or any part thereof the Grantee may, if it so elects, leave the whole or any part thereof in place.

4.4 That no part of the title in fee-simple to the soil shall pass to or be vested in the Grantee under or by virtue of these presents and the Grantor may fully use and enjoy all of the lands of the Grantor subject only to the rights and restrictions herein contained.

4.5 That the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the lands of the Grantor, and with respect only to that portion of the lands of the Grantor of which the Grantor shall be seised or in which he shall have an interest, but that the lands of the Grantor, nevertheless, be and remain at all times charged therewith.

4.6 If at the date hereof the Grantor is not the sole registered owner of the lands of the Grantor, this Agreement shall nevertheless bind the Grantor to the full extent of his interest therein, and if he shall acquire a greater or the entire interest in fee-simple, this Agreement shall likewise extend to such after-acquired interests.

4.7 Where the expression "Grantor" includes more than one person, all covenants herein on the part of the Grantor shall be construed as being several as well as joint.

4.8 This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, administrators, executors, successors, and assigns, as the case may be, and wherever the singular or masculine is used it shall be construed as if the plural or the feminine or neuter, as the case may be, had been used, where the parties or the context hereto so require, and the rest of the sentence shall be construed as if the grammatical and terminological changes thereby rendered necessary had been made.

IN WITNESS WHEREOF the parties hereto have executed these presents in the manner and on the date hereinafter appearing.

2.1 That the Grantor will not, nor permit any other person to erect, place, install, or maintain any buildings, structure, mobile home, concrete driveway or patio, pipe, wire, or other conduit on, over, or under any portion of the Perpetual Right-of-way so that it in any way interferes with or damages or prevents access to, or is likely to cause harm to Works authorized hereby to be installed in or upon the Perpetual Right-of-way.

2.2 That the Grantor will not do nor knowingly permit to be done any act or thing which will interfere with or injure the said Works and in particular will not carry out any blasting on or adjacent to the Perpetual Right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld.

2.3 That the Grantor will not substantially diminish the soil cover over any of the Works installed in the Perpetual Right-of-way and in particular, without in any way limiting the generality of the foregoing, will not construct open drains or ditches along or across any of the Works installed in the Perpetual Right-of-way.

2.4 That the Grantor will from time to time and at all times upon every reasonable request and at the cost of the Grantee do and execute or cause to be made, done, or executed all such further and other lawful acts, deeds, things, devices, conveyances, and assurances in law whatsoever for the better assuring unto the Grantee of the rights hereby granted.

3.0 THE GRANTEE HEREBY COVENANTS TO AND AGREES WITH THE GRANTOR, as follows:

3.1 That the Grantee will not bury any debris or rubbish of any kind in excavations or backfill, and will remove shoring and like temporary structures as backfilling proceeds.

3.2 That the Grantee will thoroughly clean all lands to which it has had access hereunder of all rubbish and construction debris created or placed thereon by the Grantee and will leave such lands in a neat and clean condition.

3.3 That Grantee will, as soon as weather and soil conditions permit, and so often as it may exercise its right of entry hereunder to any of the lands of the Grantor, replace the surface soil as nearly as may be reasonably possible to the same condition as it was prior to such entry, in order to restore the natural drainage to such lands; provided, however, that nothing herein contained shall require the Grantee to restore any trees or other surface growth, but the Grantee shall leave such lands in a condition which will not inhibit natural regeneration of such growth.

3.4 That the Grantee will, as far as reasonably possible, carry out all work in a proper and workmanlike manner so as to do as little injury to the lands of the Grantor as possible.

3.5 That the Grantee will make good at its own expense all damage or disturbance which may be caused to the surface soil of the lands of the Grantor in the exercise of its rights hereunder.

3.6 The Grantee will, as far as reasonably possible, restore any fences, lawns, flower beds, at its cost as nearly as may be reasonably possible to the same condition that they were in prior to any entry by the Grantee upon the lands.

4.0 THE PARTIES HERETO EACH HEREBY COVENANT TO AND AGREES WITH THE OTHER, as follows:

4.1 The said Works referred to above, together with all pipes, valves, conduits, wires, casings, fittings, lines, meters, appliances, facilities, attachments, or devices used in connection therewith shall constitute the Works:

4.2 Notwithstanding any rule of law or equity to the contrary, the Works brought on to, set, construed, laid, erected in, upon, or under the Perpetual Right-of-way by the Grantee shall at all times remain the property of the Grantee, notwithstanding that the same may be annexed or affixed to the freehold and shall at any time and from time to time be removable in whole or in part by the Grantee.

4.3 In the event that the Grantee abandons the Works or any part thereof the Grantee may, if it so elects, leave the whole or any part thereof in place.

4.4 That no part of the title in fee-simple to the soil shall pass to or be vested in the Grantee under or by virtue of these presents and the Grantor may fully use and enjoy all of the lands of the Grantor subject only to the rights and restrictions herein contained.

4.5 That the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the lands of the Grantor, and with respect only to that portion of the lands of the Grantor of which the Grantor shall be seised or in which he shall have an interest, but that the lands of the Grantor, nevertheless, be and remain at all times charged therewith.

4.6 If at the date hereof the Grantor is not the sole registered owner of the lands of the Grantor, this Agreement shall nevertheless bind the Grantor to the full extent of his interest therein, and if he shall acquire a greater or the entire interest in fee-simple, this Agreement shall likewise extend to such after-acquired interests.

4.7 Where the expression "Grantor" includes more than one person, all covenants herein on the part of the Grantor shall be construed as being several as well as joint.

4.8 This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, administrators, executors, successors, and assigns, as the case may be, and wherever the singular or masculine is used it shall be construed as if the plural or the feminine or neuter, as the case may be, had been used, where the parties or the context hereto so require, and the rest of the sentence shall be construed as if the grammatical and terminological changes thereby rendered necessary had been made.
